Our underwriting offering is geared towards areas where we can add value so it's no surprise that Sterling's focus is hard-to-place &/or complex risks which the local market is not properly servicing or where the risk does not fit a standard industry scheme.

NEW

We are also able to provide a Professional Indemnity extension to specific industries:

Air Conditioning (including cooling tower work), Fire Protection, Lifts/Escalators, and Cleaners.

Statutory Liability is also available on most of the occupations listed above.

Our Asbestos Liability includes:

- demolition activities
- testing &/or sampling including its transport and disposal
- working with asbestos and/or making asbestos safe
- property owners and/or tenants
