Welding

Sterling is a specialist agency and as a result does not aim to underwrite all PI risks in Australia. We seek out and work solely on risks where we can add value to your client.

**WE ARE BEST UTILISED FOR PI RISKS:**

- that do not fit an existing scheme
- that local Australian insurers are not keen to write, or
- where the risk is considered to be complex or hard-to-place

\* Minimum premium \$2,500 plus charges
